# OVERVIEW

6-month coaching program with 1:1 biweekly sessions

## Start Strong

Transition into the role with confidence and enthusiasm. Assess what is important, identify key relationships and start building credibility.

**Result:** You launch your new job with confidence, build trust and nurture key relationships.

## Shape Your Vision

Evaluate possibilities, define what success means to you in this role and map out next steps, all with support from your coach.

**Result:** You have tested new approaches, moving out of your comfort zone.

## Start Acting On Your Vision

Find the right set of motivators to build excitement and authentically lead.

**Result:** You have an action plan and are set up for long-term success.
